DELIVERING TOGETHER

We are working on a road near you

Cinder Hill, Whitegate

Carriageway Resurfacing Works

Monday 16th February to Friday 20th February
2026 - 07:00 to 19:00*

0300 123 7036

@Go_CheshireWest

Dear Residents & Businesses

We are writing to inform you that we will be carrying out carriageway resurfacing works on Cinder Hill from the junction with Foxwist Green to the junction with St. Mary's Drive.

This will involve a full road closure. This may mean that vehicular access to the road is not possible. We endeavour to maintain pedestrian access at all times but, during select times, it is unsafe to allow such access. Please contact our operatives on site if you require access to the affected area. They will accommodate you as much as possible.

*All works are weather dependant and, therefore, it may be necessary to delay or cancel this closure. Please refer to the posted information boards in the area of the closure for any amendments to the dates provided.

Please remove all vehicles from the carriageway at least 15 minutes before the provided starting time of the closure.

Some aspects of this work will be noisy. There will be alarms from our vehicles, when reversing, which are mandatory for work site safety.

We appreciate your patience while the works are being carried out.

Closure shown in pink. Diversion route shown in blue.
